

## Bee Class Newsletter

### April, 2016

Dear Parents,

I am into my third month as the Bee Class teacher. I contribute to be impressed with the level of this class and really shows the benefit of learning English from a young age. They are a confident group and we have a good participation. I have moved the quieter students to the front of the class so they can't hide at the back and this seems to have worked as they are contributing more in class.

I am trying to really explain the meaning of the vocabulary and teach them how to use the words in sentences. This will help their understanding and thus develop their fluency.

This month we are focusing on "Figure It Out" which will help the students understand the world around them.

If you have any questions then please feel free to ask me

## Bee Class Newsletter April, 2016

親愛的家長：您好！

擔任蜜蜂班的外師已經邁入第三個月了。這個班級讓我印象深刻的是，他們的英文程度以及這麼小的年紀就可以展現學習英語的益處。他們是一群有自信的孩子，在課堂上的參與度很不錯。我也將班上位置作了調整；安靜的學生坐在靠近老師的前面位置，所以他們沒辦法躲藏在後面。這個辦法頗有效果，他們在課堂上發言的頻率增加了。

我試著在課堂上詳盡地解釋單字的字義以及如何將新學的單字應用在句子中。這有助於他們的理解能力以及流暢度。這個月我們的閱讀主題是“Figure it Out”〈理解、領悟〉，它將帶領孩子們了解週遭的世界。
