Thematic Activity

Each month a different foreign teacher is assigned to plan and arrange activities of a given theme. This can be anything from small art projects, short field trips near the school or even a party in the classroom! The themes are often related to different festivals around the world so it really helps them to understand different cultures while having fun at the same time.

August: Aero-Science

September: Chinese Culture Month – Mid-Autumn

Song and Dance

Each month we have a set of songs to learn. Learning from songs is very beneficial as children can learning new words and phrases. New words can be easier understood through the associating movements with words.

Kinesthetic learning has been proven by science to be very effective.

August week 1: Say Hello

Week 2: Say Hello

Week 3: Say hello

Week 4: Down by the River

September week 1: Down by the River

Week 2: Hickory Dickory duck

Week 3: Hickory dDckory duck

Week 4: Hokey Pokey

Week 5: Hokey Pokey

Library/Storybook

Each week the children and myself visit the library for story time and to exchange books. It's lovely to see all of them listening to the stories I read them and some of them even enjoy the voices I put on for the characters! They really get involved with the stories and I believe it's good for their listening and their imagination!

I hope this has been an insightful newsletter for you all,

Thank you for reading!

Best wishes,
Teacher John
