

Rabbit Class Newsletter November 2016

Dear Parents,

This month a lot of classes have been changed to drama practice. Everyone will need a lot of practice and time to learn their lines and the different scenes. As always everyone will work very hard to present a wonderful play for you and their family. It's a good experience as it not only teaches them performing on a stage but also to not be so afraid in front of people. I'm sure everyone will do their best and i hope you enjoy their performance. They will still have some classes like song and dance, as well as their extracurricular classes. Drama practice will not put their classes behind schedule as we account drama practice into our schedule and allow plenty of time for review and catch up.

Writing/workbook

As everyone is getting older, starting from K5 we have some new writing books that teach them different vocabulary words or sentence patters. It also teaches them some simple grammar and how to make sentences and start to spell on their own. At first this will be a little hard for everyone as they aren't used to writing that much, but I'm sure slowly it will get easier as they learn to think for themselves and make different sentences on their own.

Week 1 – like/likes, don't/doesn't

Week 2 –spelling numbers

Week 3 – “how many” sentences/question

Week 4 – comparison words

Thematic Activity

Each month a different foreign teacher is assigned to plan and arrange activities of a given theme. This can be anything from small art projects, short field trips near the school or even a party in the classroom! The themes are often related to different festivals around the world so it really helps them to understand different cultures while having fun at the same time.

Week 1 – Indian Teepee

Week 2 – Turkey

Week 3 – Mayflower

Week 4 – Autumn Tree

Rabbit Class Newsletter November 2016

親愛的家長：

這個月我們會將一些課程調整為戲劇表演練習，孩子們需要大量練習也需要記住他們的台詞，而經由練習，孩子們將會呈現美好的表演給大家。戲劇表演對孩子來說也是很好的經驗，也可以訓練孩子不要害怕人群，面對人群，相信孩子會盡他們最大的努力練習，屆時也請您可以盡興的觀賞。另外也請您不需要擔心會因為戲劇表演而耽誤到進度，因為練習時間我們都有將他算在進度裡面。
