

## Bee Class Newsletter November, 2016

Dear Parents,

So, we are into our third month of the semester and things are going well. They are slowly building their confidence and conversation skills. I really want them to feel confident and relaxed to speak in our class. The quieter ones are gradually speaking more freely and telling the class about interesting things they have seen or done.

This month our unit focuses on 'Take Action' and 'Ideas in Motion'. These units are about how people respond to natural disasters and how the community is affected, and how science makes things work and how it helps us understand lots of things.

Our grammar focus this month will cover clauses, simple/compound sentences, comma and semicolon and how these help us understand and develop sentences.

Please see below for a detailed schedule of November.

All the Best,  
Teacher Eamonn

## Bee Class Newsletter November, 2016

各位家長：您好！

我們已經邁入這學期第三個月了，到目前為止一切都進展的很不錯！孩子們逐漸在建立他們的信心以及對話能力。我希望他們在課堂上能夠更有自信並且能夠輕鬆愉快地表達他們的看法。比較安靜的學生發言的次數變多了，他們能夠自在地分享生活中遭遇到有趣的事。

這個月我們的閱讀主題是關於「採取行動」和「動力力學」。這些單元討論了人們在面對天災時是如何反應、對於社群的影響、科學如何讓事物運轉以及它讓我們了解許多事物背後的原理。

文法方面，我們學習的內容包括子句、簡單句、複合句、逗號、分號以及這些文法概念如何幫助我們了解句子的結構。

以下是十一月份的學習計畫。

真摯的祝福！
