Dear Parents,

Happy Chinese New Year!! I hope everyone had a nice relaxing break with your families. After our break we dive straight back into the hard work. We have a busy schedule this semester so need to focus and show dedication to learning. I continue to encourage the freedom to speak English, no matter the topic. Sometimes we drift off the topic if someone asks a question but I like to keep our learning fluid. Obviously it is important to follow the schedule but sometimes I will just let the discussion take its own direction. For example, Jessie told the class a joke one day. This shows an amazing understanding of a language to be able to tell a joke. It was really funny!!

This month we continue with Amazing Animals. It is interesting to study what lessons the animal world can teach us.

We will, as usual, have a group of core vocabulary plus addition words to learn and a story helping us with our understanding and how to correctly use the vocabulary.

If you have any questions, then please feel free to ask me.

Please see below a detailed schedule for February.

Core Material

2nd-10th February: Winter Vacation

13th-18th February: Unit 2 Week 2: Animals in Fiction

20th-24th February: Unit 2 Week 2: Vocabulary – annoyed, attitude, commotion, cranky, familiar, frustrated, selfish, specialty

Grammar

2nd-10th February: Winter Vacation

13th-18th February: Unit 2 Week 2: Singular and Plural Nouns – For examples: The boy has two pencils in his backpack. There were computers at every desk in the room.

20th-24th February: Unit 2 Week 2: Commas in a series – For example: The students with the highest score were Ana, Sarah, and Jonathan.

All the best,
Teacher Eamonn

各位家長：

新年快樂！我希望大家與家人擁有一個輕鬆愉快的假期。我們又將返回職場勤奮工作了。這學期我們的學習計畫緊湊，所以我們將更專注在學習上。我會持續鼓勵孩子們在不限主題的情況下開口說英文。有時，當孩子問到某些問題，我們也會提到相關的話題，但我比較喜歡上課順暢些。依照計畫表上課是很重要的事，但有時候會順著孩子們討論的主題引領方向。例如，有一天 Jessie 在課堂上說了一個笑話，這讓孩子們理解到語言的奇妙，可以用另一種語言說笑話。這真的很有趣！

這個月我們會繼續閱讀主題「令人驚奇的動物」。孩子們可以從動物的世界中學習到不同的教育寓意。像往常一樣，我們會有主要的字彙以及額外的單字需要學習、主題閱讀可以增進我們的理解能力以及如何正確使用單字。

若您有任何疑問，都隨時歡迎您與我聯繫！

以下是二月份的學習進度。
