

Lion's Newsletter August of 2017

Dear Parents,

This will be our schedule for the start of the new year. The kids are doing great so far and I hope they will continue to improve. We will start a new phonics class this year, but I've been teaching them phonics from the very beginning as you know. Phonics is a very useful skill and it's very important. So the kids know a lot of phonics already. We will continue to work hard together as always. There will also be more new books to read. I'm sure the kids will enjoy reading the stories with me in class as well.

Kind regards,

Tr. John
