

Dinosaur Class Newsletter October 2017

Dear parents,

As we have now passed these past months with Dinosaur class, everyone seems to be having a good time and getting more and more interested in learning. While each kids have their own obstacles and places to work harder on, they always want to push on and overcome whatever the problem may be. Its great to be able to work with such a great bunch of kids and I'm sure we will continue to have fun as we progress through this time of learning.

Reading

The following book will be a little bit longer than the previous months readers. However they will follow more of a story line and help to teach roles and different life experiences. They will also be taken though a world of science as we explore different abilities in "I can, we can".

Oct. 2nd- Oct.6th Who am I
Oct. 9th- Oct.13th Review
Oct. 16th- Oct.20th Hats

Oct. 23th- Oct.27th I can, We can

Core Material

This month's booklet "Take a new step" will take the kids even further into a world of learning. As they learn how to make friends and using their five senses. They will learn to ask question and make statements like "I can share the marbles" or "I can see Sam". We will also explore more actions in the second week as we discuss more about what we can do and how many activities we can do together

Oct. 23th- Oct.27th

Unit 1-Make New Friends

Unit 1-Get Up and Go

Unit 1-Use Your Senses

Math

As we have been focusing on numbers for the past two months, the new lessons will teach us more about amounts and comparing. As seeing numbers can also tell us "who has more?, or "Which is the longest or shortest?", the kids will learn about differences in values and lengths.

Physical Education

We will continue in this month's PE to continue working on the kids endurance times. As having strength and energy is not only important to outdoor play, but also to class time where they may need to hold a pencil or marker.

Oct. 2nd- Oct.6th Relay Race
Oct. 9th- Oct.13th Stretcher carry
Oct. 16th- Oct.20th Monkey Bars
Oct. 23th- Oct.27th Zip-line

Thematic Activity

Each month a different foreign teacher is assigned to plan and arrange activities of a given theme. This can be anything from small art projects, short field trips near the school or even a party in the classroom! The themes are often related to different festivals around the world so it really helps them to understand different cultures while having fun at the same time.

Oct. 2nd- Oct.6th Halloween – piñata Oct. 9th- Oct.13th Halloween – piñata

Oct. 16th- Oct.20th Halloween – trick or treat bag

Oct. 23th- Oct.27th Halloween - spider

Song and Dance

So far the kids have fun learning the songs so far. This month we will continue so explore the world of song and the different adventures they can bring, such as, jumping on the bed with five monkeys, or what sounds we can here as we take a bus ride through town.

Oct. 2nd- Oct.6th Five little monkeys jumping on the bed

Oct. 9th- Oct.13th
Oct. 16th- Oct.20th
Polly and Paul play the piano

Oct. 23th- Oct.27th Bus

Library/Storybook

Each week the children and myself visit the library for story time and to exchange books. It's fun to see the interesting choices of books that the kids make. It's also fun as I will choose a story to read to them. They always laugh when I characterize each person's voice in the book to mach the story line. All the kids have fun and it's a good experience for all.

Thank you for reading!
