November of 2017

Dear Parents,

This will be our schedule for November. In this month, we will mainly be focusing on our drama play. We will practice our drama play and we will work hard on the speech together. We will do our best to help the kids to build confidence. I will also reinforce the vocabulary words and the phonics with the kids as always. I will continue helping the kids on their writing, vocabulary, and phonics as well. The kids and I will continue to work hard together as always. I'm sure the kids will enjoy practicing their speech, making more stuff in thematic activities and our PE exercise time!

Best regards,

Tr. John
