

Dinosaur Class Newsletter February 2018

Dear Parents,

Welcome to the beginning of our second semester. I'm sure by now everyone is well acquainted with school life and learning together. I hope that the following weeks the kids will learn more as we dive deeper into the field of English.

Reading

As our readers have become longer in this last semester, we will be allocating 2 weeks per book so that all the kids will be able to fully absorb all the materiel. The book in this month will be teaching some simple science in "Bubble Trouble" and we will be able to explore the wonderful outdoors as the kids read "Beautiful Bugs'. I hope that these books will stimulate their interest in more outside things, than just staying indoors.

Library/Storybook

Each week the children and myself visit the library for story time and to exchange books. It's fun to see the interesting choices of books that the kids make. It's also fun as I will choose a story to read to them. They always laugh when I characterize each person's voice in the book to match the story line. All the kids have fun and it's a good experience for all

I also hope that you can help by reviewing the lessons with the children at home, so that they will have the opportunity to put what they learn in school into everyday use. As practice makes perfect so I hope they all will become better and better with each passing day

Thank you for reading!

Library and Story-time

每個星期,孩子們和我自己都參觀圖書館進行講故事和借閱書籍。看到孩子們選自己喜歡的書籍總是很有趣。 我會選擇一個故事來讀給他們聽。 當我講到不同人並配上不同聲音的時候, 他們總是笑個不停。

所有的孩子都會得到樂趣,這是一個很好的體驗。

我也希望您能透過在家複習來幫助他們,讓他們有機會把他們在學校學到的東西用於日常生活。 因為練習成就完美,希望他們能一天比一天更進步。

感謝您的閱讀!
