

## **Whale Class Newsletter July 2018**

Dear Whale Class parents,

We have finished the writing book, the phonics book, the grammar book, and the main MPM mathematics books. I have worked ahead, and we have done extra work that is outside the syllabus.

As you can see from the outline on the next page, we have a main focus next month: The kindergarten graduation play. We will have a lot of time to practice and rehearse, but that is not the only thing we will do in class. Now that we are finished most of the work, I have more time to go back and repeat what we have done in class. We lose what we don't use, and revision is very important.

We need your help to practice the speeches, and to help the students learn lines for the play. The more they practice, the more confident they will be on the night.

Thank you for all of your hard work over this semester. I appreciate your support.

The following information remains true:

We are starting to approach the end of our time together. At the graduation ceremony at the end, we will have another drama production, which will take the bulk of our time and attention. Knowing that the final drama is on its way, I have worked ahead in all of our classes to purchase extra time for rehearsal, but we still have plenty to keep us busy.

The MPM program has supplemental materials that we are now able to use in class. Over the next months, we will use these extra booklets to consolidate the skills they have picked up.

Each student is getting more chances to read by themselves in front of the class

From now on, they will have homework on Monday, Wednesday, and Friday. As before, unless the homework is handwriting practice, which they can do themselves, we will do the homework together in class, and send a copy home for your reference.

The next page detail the May schedule by subject.

Yours reasonably,  
- Taliesin Hoyle (Teacher Tal)

## Whale Class Newsletter July 2018

親愛的鯨魚班家長您好：

我們已經完成了寫作教材、發音教材、文法教材以及 MPM 數學教材。相對的，我也一直在努力和完成了課程進度額外的工作。

下個月開始我將會主要關注於幼兒園畢業表演節目內容。我們將有很多時間練習和排練，但這不是我們在課堂上唯一要做的。現在我們完成了大部分的工作，我將有更多時間回去複習我們以往在課堂上所教過的課程。

我們需要各位家長的幫助練習畢業典禮中的演講內容。他們練習得越多，就在畢業典禮表演中越有信心。

感謝您在這個學期所做的一切努力，感謝您的支持。

提供下列真實訊息參考：

我們正在開始倒數我們共同相處的時光。在最後的畢業典禮上，我們將有另一部戲劇作品，這將佔用我們大部分的時間和精力。最後的戲劇表演正在進行練習，我已經盡可能在我們所有的課程中另外安排額外的彩排時間，但我們仍然會非常忙碌。

MPM 課程中有提供補充材料，我們現在可以在課堂上使用。在接下來的一箇月中，我們將使用這些額外的教材來鞏固他們曾經所學過的能力。

每個學生將會得到更多的機會能在全班同學面前閱讀書籍。

從現在開始，他們在周一，週三和週五有回家作業。和以前一樣，除非作業是筆跡練習，他們可以自己做，我們將在課堂上一起做作業，並發送一份副本供您參考。

如果家長若想與我聯繫，以下將是我的信箱 [talhoyle@yahoo.com](mailto:talhoyle@yahoo.com)；各位家長可以寄信給我，我將盡快回信。以下幾頁詳細介紹了七月的主題。
