

## **Bear Class ESL Grade 3 and 4 June Newsletter**

Welcome to the Bear Class ESL Grade 3 and 4 monthly newsletter for June.

As another year draws to a close I would like to reflect on a successful semester where I have seen a lot of development with all the students. They have shown progress in all the topics we teach and I have seen a lot more independent thinking and ability to work by themselves. I have seen a more mature approach to their work where I introduce the topic and brainstorm ideas and give them some direction but try to let them think about it for themselves first.

This month will be spent catching up on any leftover material and preparing for the Speech Contest where the students will present their final Keynotes. I am sure they will produce interesting and informative presentations.

This concludes the monthly newsletter for June.

As always if you have anything you would like to discuss with me, please feel free to leave me a message in the weekly communication books.

Until next time, see you soon.  
Teacher Eamonn.

## **Bear Class ESL Grade 3 and 4 June & July Newsletter**

歡迎閱讀 6 月份的 Bear Class ESL 3 年級和 4 年級月報。

隨著另一個一年即將結束，我想說的是這是一個成功的學期，我看見孩子們有很多英文上的進步及改善，他們在我傳授的所有的主題上都取得很棒的進步，我也看見更多孩子獨立思考及能自主管理的能力，是一個比較成熟的工作態度，在這裡我將介紹主題及集思廣益並給予他們一些指導時，先讓他們思考一下

這個月將花一些時間複習我們的主教材，也會陸陸續續準備演講比賽的相關工作，在這個月的最後一天我們會有演講比賽來呈現他們這學期的學期成果，為這學期畫下一個完美的句點

以下是 6 月份的月報。

如果您有任何想與我討論的內容，請隨時在每週聯絡簿中留言。

Until next time , see you soon.
