

## **Unicorn Class Newsletter June & July 2019**

Thank you to the parents of Unicorn class for being so helpful the whole time I have taught the kids in Unicorn class. This will be the last monthly letter I will be writing for this class and I want to let you all know how much joy it has been helping all the kids in Unicorn class grow and develop their skills as they learn about the English language.

### **Song and dance**

In our song and dance class in the morning I will be reviewing our spelling list every day I can before we listen to our songs in the morning. For the Month of June, we will be listening to A Whole New World from the Movie Aladdin. In July we will be practicing our Drama play songs and dances for our performance at during graduation.

### **Core Materials and Phonics class**

Our Phonics books will finish up focusing on suffixes and how we need to change the endings of words once we have completed our unit on contractions. The last pages we will be completing in July will be based on Synonyms, homonyms and antonyms as we complete our phonics books.

### **Writing**

We will be finishing our writing books over the course of the last two months where the kids will be completing the second last unit on restaurants and foods followed by our last unit based on pronouns and summer activities! Just in time for summer too!

### **Spelling**

In our spelling books we will be working until we finish the book where we will be putting everything that we have learned over the course of our spelling and writing book together, tying the correct verbs to the correct nouns and adding “-ing” to the verb in the correct tense.

**Reading-** Our reading books for June and July talk a lot about animals which is sure to keep the kids interesting and leaves some room for some fun games in our classes. Our schedule for our

reading books goes until the 2nd week of July when we will start using our reading classes to practice for our end of year play.

Week 1: The Blue Mittens

Week 2: Next to an ant

Week 3: The Very Big Potato

Week 4: The Lions Song

Week 5: The Birthday Party

**Math-** In June we will be starting and finishing our last book in the F series. We will be focusing on Pathing again in the first week or so of June followed by some logic related exercises in the middle of June finishing with subtraction for the last week of June. July will be spent practicing for the speeches and end of year play.

Week 1: Directional path, multi-model path and procedural path.

Week 2&3: Learning the concepts of logical reasoning through colors, shapes, and counting exercises.

Week 4: Portraying subtraction through simple algebraic exercises and subtraction exercises

**Thematic Studies** - The Theme for June will be Singapore and the thematic for July will be about summer. I'm sure we will have some great Interactive activities planned that will allow the kids to have some fun.

### **Physical Education**

The kids are having a lot of fun in P.E. class. We always start off with a fun run around the playground before our game/activity. Last month we spent quite a bit of time inside due to the rain, I am hoping that this month will be different.

### **Outdoor Play**

All the kids are having lots of fun playing outside in our supervised playground with monkey, lion, and dinosaur classes.

I am glad all the students in Unicorn class have passed their school exams and will be able to continue their studies at their school of choice. I look forward to the end of year school performances that we will begin to practice at the beginning of June.

I hope everyone is happy with their choices for furthering the education of their children at Marshall kindergarten and that the kids of Unicorn class will continue to excel in their future studies.

Thank you and I will see you all at our graduation ceremony at the end of July!

## **Unicorn Class Newsletter June & July 2019**

感謝獨角獸班的家長, 在我教授孩子們的整個過程中, 他們都非常樂於助人。另外這將是我為這個班寫的最後一封家長信函, 我想讓大家知道它在說明獨角獸班的所有孩子成長和發展他們的技能, 因為他們學習英語的過程有多大的快樂。

### 歌謠律動方面

在每天的歌曲律動前我將花一些時間複習練習拼字部份, 讓孩子們可以更順利、更有印象每週的單字, 且能順利拼出。然後早上進行我們的歌曲教唱。在六月的這個月, 我們將聽電影阿拉丁的《A Whole New World 一個全新的世界》。在七月, 我們將練習我們的戲劇歌曲和舞蹈為我們的畢業活動做準備。以下為每週的歌曲進度, 在教唱的過程中我們會加上一些動作, 讓孩子們覺得更有趣。

June

Week 1: A Whole New World

Week 2: A Whole New World

Week 3: A Whole New World

Week 4: A Whole New World

July~~

Week 1: Drama practice

Week 2: Drama practice

Week 3: Drama practice

### 主教材、發音課方面

我們將完成發音練習本中(後綴 suffixes)的練習, 這練習例如: 如何將形容詞變成名詞 happy → happiness, 同時我們也已經完成單元中的縮寫練習。七月的最後三週我們將以同義字、同音詞和反義詞為基礎, 做最後的練習。

## 書寫和拼字

在最後的兩個月裡，我們將完成我們的寫作練習，孩子們將完成關於餐館和食物的第二個單元，然後是我們的最後一個單元，以代名詞和暑期活動為基礎！正好趕上夏天！

另外在我們的 spelling books 中，我們將完成這本書所有的內容，我們將所有學習過的 spelling and writing 的課程統整歸納，試著將動詞改為名詞或加 ing 放在正確的句子中。

## 閱讀方面

我們六月和七月的閱讀書籍談了很多關於動物的事情，相信這些書本會讓孩子們一直感到有趣，並在我們的課堂上留下一些有趣的遊戲空間。我們的閱讀書進度會一直持續到七月的第二個星期，屆時我們將開始用我們的閱讀課練習畢業活動。

Week 1: The Blue Mittens

Week 2: Next to an ant

Week 3: The Very Big Potato

Week 4: The Lions Song

Week 5: The Birthday Party

## MPM 數學方面

在六月，我們將開始和完成我們的最後一本書 F 系列。我們將在 6 月的第一周左右再次關注路徑學習，然後在月中進行一些與邏輯相關的練習，最後在六月最後一周進行減法練習。七月將用於練習畢業演講和戲劇表演。第 1 周:。第 2 周和第 3 周: 第 4 周:

Week 1: 方向路徑、多模型路徑和過程路徑

Week 2: 通過顏色、形狀和計數練習學習邏輯推理的概念。

Week 3: 通過顏色、形狀和計數練習學習邏輯推理的概念。

Week 4: 通過簡單的代數練習和減法練習描繪減法

## 主題活動方面

每個月都會指定一位外國老師計畫安排一個主題活動。主題形式不限，我相信孩子們都會喜歡。

## 體能課方面

孩子們對於體能課一直都相當感興趣，我們仍維持在進行所有活動或遊戲前，先暖身並跑操場。課程的進行大部份都在戶外。由於下雨，上個月我們花了很多時間在室內進行活動，我希望這個月不要再一直下雨了。

## 戶外活動方面

我們每天都有戶外活動時間，將會和獅子班、猴子班和恐龍班一起進行，除了可以讓孩子們盡情的奔跑外，還可以認識不同班級的朋友喔！孩子們在戶外玩得很開心，而且他們總是很留意班上的孩子們是否有任何麻煩或受傷，這是我樂見的。

我很高興獨角獸班的所有學生都通過了學校考試，能夠在自己選擇的學校繼續學習。我期待著最後一場畢業演出，我們將在六月初開始練習。

希望大家對於孩子們在瑪歇爾幼兒園的學習和選擇感到滿意，讓獨角獸班的孩子們在未來的學習中繼續脫穎而出。

謝謝大家這三年的支持和配合，期待七月的畢業典禮上見到大家！
