

Dolphin Class Newsletter January 2020

Dear parents,

Now I am back with Dolphin class after my winter break I feel refreshed and ready to hit the ground running in this brand new year! The children really enjoyed the company of Teacher Tony while I was away and I'm pleased with the student's progress in my absence. This month we will be looking forward to Chinese New Year and doing a lot of themed activities related to this! I'm sure it will be a great month and I'm sure it will be fun! Please find the schedule for January below.

Many thanks

Teacher Sam

Reading

Reading class is something we take a lot of pride in here at Marshall and we always aim by the end of the first year and certainly at the end of the second year to have a class of independent readers with a full grasp of phonics and the pronunciation of words. This class is also great for building up their vocabulary which in turn benefits their conversation skills. I find this class feeds the student's imagination, inspires children to read stories in their own time and usually by the 3rd year they are wanting to write their own stories! As reading is a personal favourite pass time for me I take a lot of care bringing out the best possible results for the children in this subject and I hope you will all see a steady improvement in your child's ability.

December 30th – January 3rd: Please sit still

January 6th – January 10th: Prepare for reading contest

January 6th – January 10th: I can do it all

January 6th – January 10th: Inu Duck's toy

January 30th – January 31st: Catch up and review

Core Material

This class is an all encompassing lesson for the children's reading, grammar and phonics skills. In these classes children are asked to analyse stories, practice vowel sounds and use a selection of keywords for sentence making and grammar. This year we are using a series of small books ideal for young learners and offer a good friendly layout that have proven to be effective for K4 students!

December 30th – January 3rd: Unit 1 week 3 anthology: Our Pets
January 6th – January 10th: Unit 1 week 3 anthology: Our Pets
January 6th – January 10th: Unit 1 week 3 anthology: Our Pets
January 6th – January 10th: Unit 1 week 3 anthology: Our Pets
January 30th – January 31st: Catch up and review

Math

We are using the MPM books and boxes for our maths class. They really have a unique and interesting way of delivering common mathematical concepts to the children often by using animals, colours and objects that children associate with fun and games! This month we will focus on...

December 30th – January 3rd: C5: P06 – 10: Counting objects
January 6th – January 10th: C5: P11 – 14: Spatial correspondence
January 6th – January 10th: C5: P15 – 18: Spatial correspondence
January 6th – January 10th: Catch up and review
January 30th – January 31st: Catch up and review

Conversation

The conversation book we are using this year is the Macmillan Jump 1 Workbook. Unlike the first year where we mostly used speaking to exercise our conversation skills, this year we will be putting pen to paper and solving grammatical puzzles to really help the students learn the difference between good and poor sentence structures. We will of course continue to practice our daily speaking on top of this book too through games and fun activities!

December 30th – January 3rd: P42 – 43: Transportation
January 6th – January 10th: P44 – 45: Nouns
January 6th – January 10th: P46 – 47: At the beach
January 6th – January 10th: P48 – 49: This/that/these/those
January 30th – January 31st: P50 – 51: Capital letters

Phonics

In our phonics class we are using the Sadlier Phonics A book which is a great colourful book with an easy layout for the children to practice their alphabet sounds. The students have already done an amazing job in reading phonetically and sounding out small words but this class will give everyone a chance to practice old and new sounds while also reinforcing some essential material.

December 30th – January 3rd: P112, 113, 115, 116: Short Vowel u
January 6th – January 10th: P119, 120, 121, 123: Short Vowel u in Sentences
January 6th – January 10th: P126, 129: Short Vowel e
January 6th – January 10th: P130, 131, 133, 134: Short Vowel e
January 30th – January 31st: Review and catch up

Physical Education

P.E. Class is a great chance for the children to let off steam and get the blood flowing. It is very important for children to exercise for their physical and mental health but while we take this seriously

we also have a lot of fun. Games range from racing; either by running, using the tricycles or cars, to chasing Frisbees, balloons or one of their favourites, 'The Gladiators Game', where they need to hit each other with the inflatable hammers!

December 30th – January 3rd: Frisbee

January 6th – January 10th: Basketball

January 6th – January 10th: Cross country

January 6th – January 10th: Grand prix

January 30th – January 31st: Running race

Thematic Activity

Each month a different foreign teacher is assigned to plan and arrange activities of a given theme. This can be anything from small art projects, short field trips near the school or even a party in the classroom! The themes are often related to different festivals around the world so it really helps them to understand different cultures while having fun at the same time.

December 30th – January 3rd: Chinese New Year

January 6th – January 10th: Chinese New Year

January 6th – January 10th: Chinese New Year

January 6th – January 10th: Chinese New Year

January 30th – January 31st: Winter

Song and Dance

This is a great opportunity for myself and the students to bond and enjoy some songs together. In addition to the scheduled songs I will be teaching the children further songs from the Disney catalogue, musicals or any songs I find that are good for children!

December 30th – January 3rd: Friends

January 6th – January 10th: Yellow submarine

January 6th – January 10th: Yellow submarine

January 6th – January 10th: Yellow submarine

January 30th – January 31st: Yellow submarine

Library/Storybook

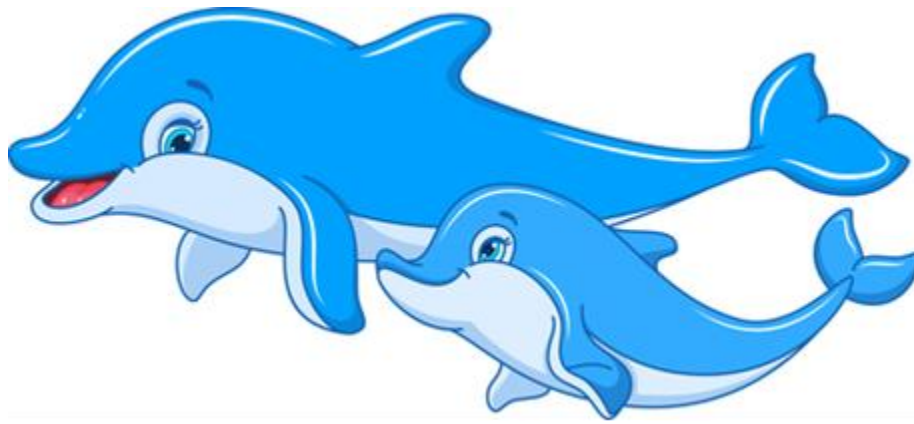

Each week the children and myself visit the library for story time and to exchange books. It's lovely to see all of them listening to the stories and taking an interest! They really get involved with the stories and I believe it's good for their listening and their imagination!

I hope this has been an insightful newsletter for you all,

Thank you for reading!

Best wishes,

Tr. Sam

閱讀

在瑪歇爾，閱讀課是我們引以為豪的課程，我們的目標是在第二年年底，讓孩子能完全掌握發音，成為獨立的讀者。這門課也培養了他們的詞彙，這反過來又有利於他們的談話技巧。我發現這門課激發了學生的想像力，激發了孩子們在自己的時間閱讀故事，通常到了第三年，他們就想寫自己的故事了！由於閱讀是我個人最喜歡的一段時間，我非常用心地在這堂課帶來最好的成果，希望你們都能看到孩子能力的穩定的提升。
