

## **Dolphin Class Newsletter July 2020**

Dear parents,

As we say goodbye to June we are all excited about the final leg of our journey this year as we wrap things up and head towards K5! We have all become such a cohesive family over the last two years and I'm sure next year will bring us ever more closer. The final year of kindergarten is a lot of fun because we are all at a level where we can converse about almost anything in English and therefore the conversations get a lot more interesting. Already I am hearing a lot more students come up to me and talk about their weekends which is great and also funny to exchange stories with them! This month we will be looking at all things to do with summer in our thematic activities and bringing ourselves up to date with all the book work. We hope you have a great month too and we look forward to seeing everyone when we return in August!

Many thanks

Teacher Sam

### Reading

Reading class is something we take a lot of pride in here at Marshall and we always aim by the end of the first year and certainly at the end of the second year to have a class of independent readers with a full grasp of phonics and the pronunciation of words. This class is also great for building up their vocabulary which in turn benefits their conversation skills. I find this class feeds the student's imagination, inspires children to read stories in their own time and usually by the 3<sup>rd</sup> year they are wanting to write their own stories! As reading is a personal favourite pass time for me I take a lot of care bringing out the best possible results for the children in this subject and I hope you will all see a steady improvement in your child's ability.

July 6<sup>th</sup> – July 10<sup>th</sup>: Red Hen's garden

July 13<sup>th</sup> – July 17<sup>th</sup>: Rabbit to the rescue

July 20<sup>th</sup> – July 24<sup>th</sup>: Meet the big cats!

### Core Material

This class is an all encompassing lesson for the children's reading, grammar and phonics skills. In these classes children are asked to analyse stories, practice vowel sounds and use a selection of keywords for sentence making and grammar. This year we are using a series of small books ideal for young learners and offer a good friendly layout that have proven to be effective for K4 students!

July 6<sup>th</sup> – July 10<sup>th</sup>: Unit 2: Week 1: Workshop: Jobs around town

July 13<sup>th</sup> – July 17<sup>th</sup>: Unit 2: Week 1: Workshop: Jobs around town

July 20<sup>th</sup> – July 24<sup>th</sup>: Catch up and review

### Math

We are using the MPM books and boxes for our maths class. They really have a unique and interesting way of delivering common mathematical concepts to the children often by using animals, colours and objects that children associate with fun and games! This month we will focus on...

July 6<sup>th</sup> – July 10<sup>th</sup>: D5: P11 – 14: Functions

July 13<sup>th</sup> – July 17<sup>th</sup>: D5: P15 – 18: Paths

July 20<sup>th</sup> – July 24<sup>th</sup>: Catch up and review

### Conversation

The conversation book we are using this year is the Macmillan Jump 1 Workbook. Unlike the first year where we mostly used speaking to exercise our conversation skills, this year we will be putting pen to paper and solving grammatical puzzles to really help the students learn the difference between good and poor sentence structures. We will of course continue to practice our daily speaking on top of this book too through games and fun activities!

July 6<sup>th</sup> – July 10<sup>th</sup>: P90 – 91: Verbs

July 13<sup>th</sup> – July 17<sup>th</sup>: P92 – 93: Verbs, adjectives and nouns

July 20<sup>th</sup> – July 24<sup>th</sup>: Catch up and review

### Phonics

In our phonics class we are using the Sadlier Phonics A book which is a great colourful book with an easy layout for the children to practice their alphabet sounds. The students have already done an amazing job in reading phonetically and sounding out small words but this class will give everyone a chance to practice old and new sounds while also reinforcing some essential material.

July 6<sup>th</sup> – July 10<sup>th</sup>: P261, 262, 267, 268 – Long Vowels

July 13<sup>th</sup> – July 17<sup>th</sup>: P269, 271, 272- L blends

July 20<sup>th</sup> – July 24<sup>th</sup>: Catch up and review

### Physical Education

P.E. Class is a great chance for the children to let off steam and get the blood flowing. It is very important for children to exercise for their physical and mental health but while we take this seriously we also have a lot of fun. Games range from racing; either by running, using the tricycles or cars, to chasing Frisbees, balloons or one of their favourites, 'The Gladiators Game', where they need to hit each other with the inflatable hammers!

July 6<sup>th</sup> – July 10<sup>th</sup>: Bowls

July 13<sup>th</sup> – July 17<sup>th</sup>: Tin can alley

July 20<sup>th</sup> – July 24<sup>th</sup>: Tag

### Thematic Activity

Each month a different foreign teacher is assigned to plan and arrange activities of a given theme. This can be anything from small art projects, short field trips near the school or even a party in the classroom! The themes are often related to different festivals around the world so it really helps them to understand different cultures while having fun at the same time.

July 6<sup>th</sup> – July 10<sup>th</sup>: Mexico

July 13<sup>th</sup> – July 17<sup>th</sup>: Mexico

July 20<sup>th</sup> – July 24<sup>th</sup>: Mexico

### Song and Dance

This is a great opportunity for myself and the students to bond and enjoy some songs together. In addition to the scheduled songs I will be teaching the children further songs from the Disney catalogue, musicals or any songs I find that are good for children!

July 6<sup>th</sup> – July 10<sup>th</sup>: Rock-a-bye baby

July 13<sup>th</sup> – July 17<sup>th</sup>: Thanks a lot

July 20<sup>th</sup> – July 24<sup>th</sup>: Thanks a lot

### Library/Storybook

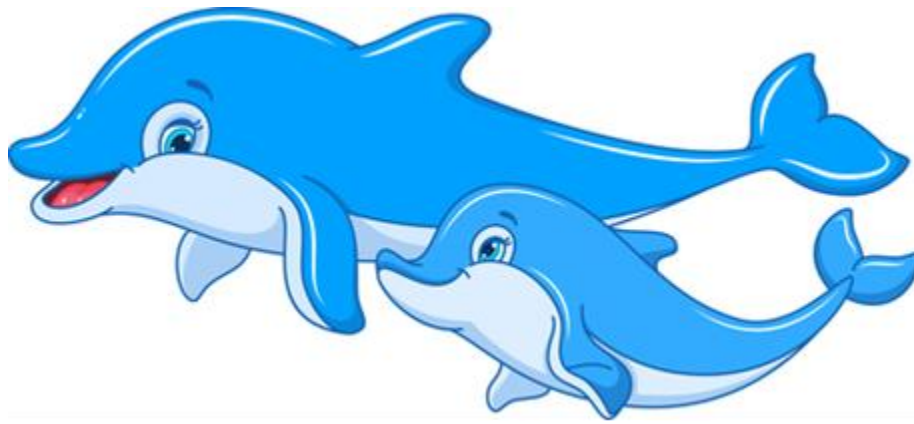

Each week the children and myself visit the library for story time and to exchange books. It's lovely to see all of them listening to the stories and taking an interest! They really get involved with the stories and I believe it's good for their listening and their imagination!

I hope this has been an insightful newsletter for you all,

Thank you for reading!

Best wishes,

Tr. Sam

親愛的家長，

當我們告別六月時，我們都對今年的最後旅程感到興奮，因為我們即將告別中班並朝著大班邁進了！在過去的兩年中，我們都變得如此團結一致，我相信明年將使我們更加緊密。最後一年的幼兒園活將充滿樂趣，因為孩子的英文能力將達到幾乎完全以英語交談的水準，因此對話變得更加有趣。已經有很多學生來找我談論他們的周末，這是很棒的交流，我對他們所說的很感興趣！這個月，我們將在主題活動中探討有關“夏季”的相關內容，並讓孩子能夠掌握所有課程內容。預祝一同愉快的度過七月，並期待著八月回來時新學期與大家見面！非常感謝

Teacher Sam

### **閱讀**

在瑪歇爾，閱讀課是我們引以為豪的課程，我們的目標是在第二年年底，讓孩子能完全掌握發音，成為獨立的讀者。這門課也培養了他們的詞彙，這反過來又有利於他們的談話技巧。我發現這門課激發了學生的想像力，激發了孩子們在自己的時間閱讀故事，通常到了第三年，他們就想寫自己的故事了！由於閱讀是我個人最喜歡的一段時間，我非常用心地在這堂課帶來最好的成果，希望你們都能看到孩子能力的穩定的提升。
