

Koala Class Newsletter February 2021

Welcome to the February newsletter.

February will be a shorter month because of Chinese New Year. Apart from the Chinese New Year vacation, there are no scheduled events happening in February. Here is a look at what Koala class will be studying in February.

Reading

The class reads the reading books several times every day. I am very strict when it comes to reading time. Everyone sits down and we read together following the words with our fingers.

Often the kids will have questions about the story and about words they don't understand. I positively encourage questions about the reading material and make sure they understand.

After reading together, individuals are chosen to read to the whole class so their pronunciation can be checked and corrected if necessary. Sometimes during outdoor play I will give extra reading practice and attention to those who need it.

Week 1 - Bubble Trouble

Weeks 2 & 3 - Beautiful Bugs

Week 4 - I Do Not Want To

Core Material

The core material books have some fun stories that use sentences that contain useful words the kids should know.

February - Unit 5 - Words that begin or contain the letters f, e, h, and r. Also short short stories that contain some of these new words. "Hop Can Hop!", "Ed and Ned", and "Ron With Red".

Song and Dance

We have song & dance classes in the mornings to create a group bond & promote confidence.

Song & dance is also a great way to wake the kids up in the mornings and get them ready & energised for the day's lessons.

Weeks 1-3 - *I'm a Little Teapot*

Week 4 - *The Ants Go Marching*

Courtesy / Healthy Habits / Safety

The students are taught the rules such as washing their hands after going to the bathroom and before eating, no running in school, no fighting, saying please and thank you etc.

It is important to explain from the start the way students are expected to behave and to explain that naughty behaviour will result in restricted playtime or rewards.

This activity is taught in the classroom and as a tour around the school and outdoor play.

Thematic Activities

Thematic studies are a series of lessons that focus on a country or festival.

Thematic studies are once per week and last for one month on the same subject.

Students will learn about other cultures, countries, and events from all over the world.

Library

Once a week the class will visit the library to read English reading books. This a popular lesson with the kids because they love to listen to the teacher read them a good story.

The class will sit and listen to the teacher and enjoy looking at the pictures in the book as the story is read to them.

They also have the opportunity to borrow a book for the week to take home and read by themselves or with mommy & daddy.

That concludes the Koala Class monthly newsletter for February.

As always, if you have any comments, concerns, or you just want to chat with me, feel free to write me a message in the English weekly communication books.

Thank you,

Teacher Rich

歡迎來到 2 月的一封信。

由於農曆新年，2 月將是較短的月份。除了農曆新年假期外，2 月沒有安排任何活動。以下是 2 月課程的學習內容。

Reading

我們每天都會讀幾次小書。關於閱讀時間，我非常嚴格。每個人都坐好，我們用手指著這些單字跟著念。

通常，孩子們會對故事和他們不懂的單字有疑問。我積極鼓勵他們詢問有關閱讀內容的問題，並確保他們理解。

一起閱讀後，會選一個孩子朗讀給全班同學聽，以便檢查並糾正他們的發音。在戶外遊戲時，我會幫需要加強的孩子額外的閱讀練習和關注。
