Courtesy/Healthy Habits/Safety

For this month we will reinforce the classroom rules such as washing hands, saying please and thank you, raising ones hand to answer a question, no running, no fighting.

Thematic Activities

The thematic activates are a chance for our students to focus on learning about a country or a specific festival. The thematic activity will be once a week for one hour and the chosen subject will last for the duration of one month.

For August, the thematic active will be about Summer. For September, the thematic active will be about Mid-Autumn.

Library/Story Time

Once a week we will all go to the library where I will read to the students and let them choice a book each which we can take to the classroom for the week. If we have any spare time I will read a selection of the books to the students and ask them some questions about the book.

Well, that's about all for this month's newsletter. If you have any comments or concerns about your kid's welfare or learning, please don't hesitate to get in contact with me using our English weekly communication book.

Thank you very much and take care.

Simon.
