

**Bee Class Newsletter  
January 2023**

Dear Parents,

We begin the month with a five-day holiday, which will be a great chance for rest and recuperation for both the students and teacher. I hope you all have a wonderful weekend. When we return to school for the Thursday and Friday, we will use these two days to review what the students have learnt so far this semester.

**Reading**

Our first full week back, will be our reading week. We will study a non-fictional text about the Wright brothers, who invented the first airplane. As always the students will have to learn 40 new vocabulary words taken from the text. The students will also have two tests based on the text.

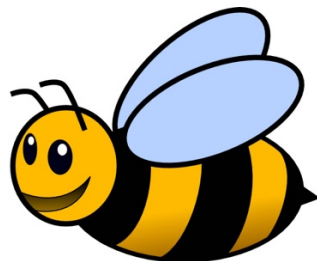

**Grammar**

We will study grammar in the 2nd week of April commencing on 17th of April. The topics we will study during this week are independent and dependant clauses. We will look at the difference between the two clauses and how to write clauses in sentences using the correct punctuation.

**Google slides**

During the final week of the month, the students will create a Google slide presentation. The topic will be modern technology. The students will have to choose some types of modern technology, and explain how they have influenced and changed our lives. If you have any questions or quires, please don't hesitate to ask.

Yours sincerely,  
Teacher Dominic

January 2023**

各位家長 您好！

這個月我們連續休息了五天，這對學生和老師而言都是很棒的休憩。我希望大家的連續假期都過得充實愉快。孩子們於星期四、五回來上課時，我們將利用整兩天的時間複習這學期所學習的內容。

### **主題閱讀**

第一週我們將進行主題閱讀，關於萊特兄弟的一篇寫實文章，介紹他們發明飛機的過程。孩子們將從課文中學習 40 個新的詞彙，並且進行相關的拼字和克漏字考試。

### **文法**

在四月的第二周也就是從四月十七日開始我們會上文法課程。這次我們要學習的是關於獨立句子和從屬句子。我們要能分辨其中的差異，並且知道如何在標點符號都正確的情況下寫出句子。

### **Google 簡報**

最後一週我們將進行 google 簡報。這次的主題是介紹科技。孩子們將選擇一些現代的科技，解釋它們對我們的影響、如何改變我們的生活。

若您有任何疑問或問題，都歡迎您和我聯絡喔！

真摯的祝福！

**Teacher Dominic**
