### **Library**

Once a week we will all go to the Library where I will read to the students and let them choose a book each which we can take to the classroom for the week. If we have any spare time I will read a selection of the books to the students and ask them some questions about the book.

Well, that's about all for this month's newsletter. If you have any comments or concerns about your kids welfare or learning please don't hesitate to get in contact with me using our English weekly communication book.

Thank you very much and take care.

Simon.
