

Monkey Class Newsletter July 2023

Dear Parents,

The last month of K3 has arrived! The prior two months were hectic with the drama play and reading contest. July will have us finish up with regular classes and text. We will have 3 new books for reading, reading wonders 10 for core, finish with our Sadlier and Up & Away, finally ending with The More We Get Together and Twinkle Twinkle Little Star songs. Looking forward to a strong last month!

Song and Dance

The Monkeys are very familiar with our two last songs of the semester, Twinkle Twinkle Little Star and The More We Get Together. They should ease right into the mornings with these two classics.

Week 1: The More We Get Together

Week 2: The More We Get Together

Week 3: Twinkle Twinkle Little Star

Week 4: Twinkle Twinkle Little Star

Reading

Our class has renewed enthusiasm for reading after the contest. They all did very well and it seems that they will enjoy the last months' books. We'll start a new series of books, they explore topics such as vehicles, cowboys, and camping!

Week 1: Vroom, Zoom, Bud

Week 2: Hi-Ho, Tiny

Week 3: Tiny Goes Camping

Week 4: Review

Core Material

We will continue to work through our core material to learn the essentials with well rounded English in the Wonders book. Our last text will be unit 10 to finish off the K3 semester. Building upon prior months with readings, grammar, and comprehension work.

Week 2: Unit 10

Week 3: Unit 10

Week 4: Review

Phonics

We are nearing the end of the Sadlier School Phonics K text. Even though we will not completely finish the book, July will have us working on short 'U' and 'E' sounds. The class should have a solid grasp of most singular vowel sounds by the end of the month in phonics class!

Week 1: Sadlier 182-185

Week 2: Sadlier 186, 191-192

Week 3: Sadlier 193-196

Week 4: Catch up and Review

Conversation

As with most of the other texts, we will finish the Up & Away 1 book in our last month. We'll be going through verbs, have/has, and try to understand singular 'I' and 'He/She' pronouns with the verb.

Week 1: Unit 30

Week 2: Unit 31

Week 3: Unit 32

Week 4: Catch up and Review

MPM Math

In our last month with math/MPM the class will work through the B5 text book, and focus on simple math concepts during the review segments. Hopefully they will be familiar with simple pattern recognition, counting up to about 10-20, and easy single digit addition - as we have tried to really work on those areas the past few months!

Week 1: Guide 35-36, B5 1-6

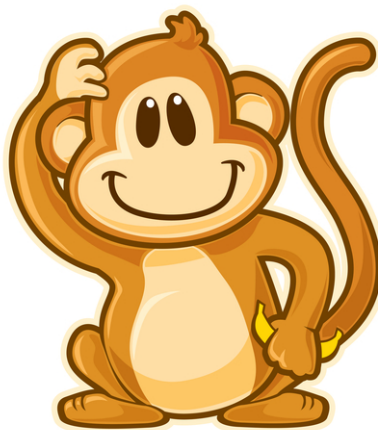

Week 2: Guide 37-38, B5 7-12

Week 3: Guide 39-40, B5 13-18

Week 4: Catch up and Review

That sums up our last month of K3, let's work on all our fundamental skills and English and have a strong finish to their first school year!

Regards,
Teacher Peter
