

## **G1 Rabbit Class Newsletter November 2023**

Dear Parents,

Welcome to the Marshall ESL program. The Marshall ESL program continues our school's education philosophy, Reading is the Way to Grow, from our kindergarten curriculum. The McGraw Hill Reading wonders series will enhance us to reach the goal throughout the following years.

### **Reading**

During the reading section hours, every four weeks, we will go through a thematic topic by 3~5 reading stories. All reading stories will lead kids to learn the same new key vocabularies but in different reading comprehension depth. The very rich resources from the McGraw library bring kids to a wider view regarding the theme. Kids enjoy the learning very much.

November

Story 1: Creep Low, Fly High

Story 2: Insect

Story 3: Hi! Fly Guy

Story 4: Meet the Insects

Story 5: The Hat

Story 6: Where is My Home?

### **Presentation**

From this semester, we will adopt the Google's Slide application to produce a presentation. It will take weeks for kids and teacher to get familiar with this application. We are not eager to have a perfect presentation as it takes time as a nature for kids to learn to present their own ideas, also to write on a computer or iPad is new to them too. This presentation skills will grow with their maturity, also their English level. We have a bright expectation on it. The topic of November is Insects.

### **Writing**

Starting October, the classes will be spending 4 weeks on a single topic instead of 2. This will provide the time needed for the students to write a more complete essay with more

details. For the month of November, we will be writing a compare and contrast essay about 2 different foods.

### **Grammar**

The grammar section hours will let kids do some practice not only grammar related, also in phonics, spelling, and comprehension. Some interactive games on computer will also help kids learn grammar in a very natural way.

親愛的爸媽，

歡迎來到 Marshall ESL 課程。 Marshall ESL 課程延續了我們學校的教育理念，閱讀是我們幼兒園課程的成長之路。 麥格羅·希爾的 Wonders 系列將幫助我們在接下來的幾年裡實現目標。

### **Reading**

在每週的單元裡，我們會瀏覽 McGraw Hill Wonders 資源庫中 3 到 5 個故事。 這包括來自 Workshop and Anthology 的故事內容，以及來自 Wonders 線上資源庫的故事。 所有的故事都是以週來歸類同一單元的部分，因此它們都有相同的主題、相同的語法和相似的詞彙。 這種通過閱讀學習的方法將幫助孩子們以有趣和愉快的方式學習。

### **November**

Story 1: Creep Low, Fly High

Story 2: Insect

Story 3: Hi! Fly Guy

Story 4: Meet the Insects

Story 5: The Hat

Story 6: Where is My Home?

### **Presentation**

我們使用 Google Slide 來幫助孩子們在這堂課中製作簡報。 這對孩子們來說將是一門有趣的課程，但如何在電腦或平板電腦上編寫和構思內容將是他們中的大多數人所學習的一項新技能。 為了確保孩子們了解如何使用他們擁有的工具，他們將在最初的幾週內學習該應用程序。 他們的第一次演示可能簡短而簡單，但隨著他們對編輯的技術方面越來越熟悉，

我們可以期待他們的工作能夠完成的更具巧思。  
十一月的主題是昆蟲。

### **Composition**

在寫作課上，老師會先幫助孩子發想構思流程圖，然後將作文分解為引言、正文和結論。在孩子們自己習寫之前，老師會收集學生的想法並在白板上演示適當的句子供他們查看。十一月，全班將寫一篇文章來比較兩種不同的食物。

### **Grammar**

孩子們將在文法課上完成習作本，書寫習作本不僅在練習語法相關的練習，還包括語音、拼寫和理解方面的練習。還有一些電腦上的互動遊戲也將幫助孩子以非常自然的方式學習語法。
