WHAT IS A FAMILY?

A family is who takes care of you and live with you.They give you special things like toys or anything you need.

TYPES OF FAMILY

I am a single child. I don't have a brother or a sister. My mother takes me to buy things. My dad plays hide and seek with me.

My immediate family

My dad and mom is my immediate family. I have two grandmas, one grandpa and one cousin. My cousin is 3 years old, my grandpa is 75 years old, and my grandma is 68 years old.

HEALTHY FAMILY BEHAVIOR

Healthy family behavior is eating healthy foods, playing soccer and hiking up mountains. Healthy families may also limit their time watching T.V.

UNHEALTHY FAMILY BEHAVIOR

My dad likes to sleep at 12:59 o'clock. My mom likes to watch T.V. for a long time. I like to play video games at night.

MY FAMILY'S DAILY LIFE

My family's daily life is going on a lot of adventures. My family went to the cow farm, Rolly slide, Hong Kong Disney land, hiking up mountains and to the water parks.

WHAT MY FAMILY LIKES TO EAT

What we like to eat is
broccoli, cabbage,
hotdogs, donuts and
corn. But best of all we
like steak.
