

RABBITS BY MAYA

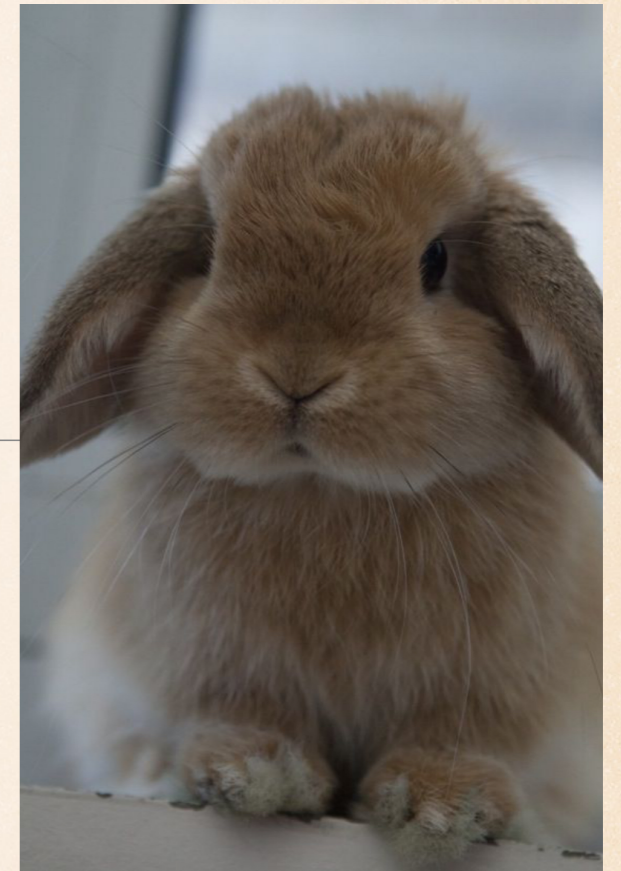

HISTORY OF RABBITS

RABBITS ARE A NEW
ADDITION TO BEING
KEPT AS PETS.
RABBITS HAVE ONLY
BEEN KEPT BY
HUMANS AS PETS FOR
100 YEARS. A MALE
RABBIT IS CALLED A
BUCK, AND A FEMALE
RABBIT IS CALLED A
DOE.

RABBIT BREEDS

RABBITS HAVE BEEN BRED TO HAVE DIFFERENT COLORS AND SIZES BUT ALL ARE VERY SIMILAR. SOME RABBITS BREEDS ARE DUTCH, HARLEQUIN, BELGIAN HARE, ENGLISH LOP, AND MINI LOP.

RABBIT FOODS

RABBITS ARE VEGETARIANS AND WILL NOT EAT MEAT UNLESS FORCED TO BY HUNGER. RABBITS ARE OFTEN DEPICTED IN CARTOONS AS EATING CARROTS.

RABBITS APPEARANCE

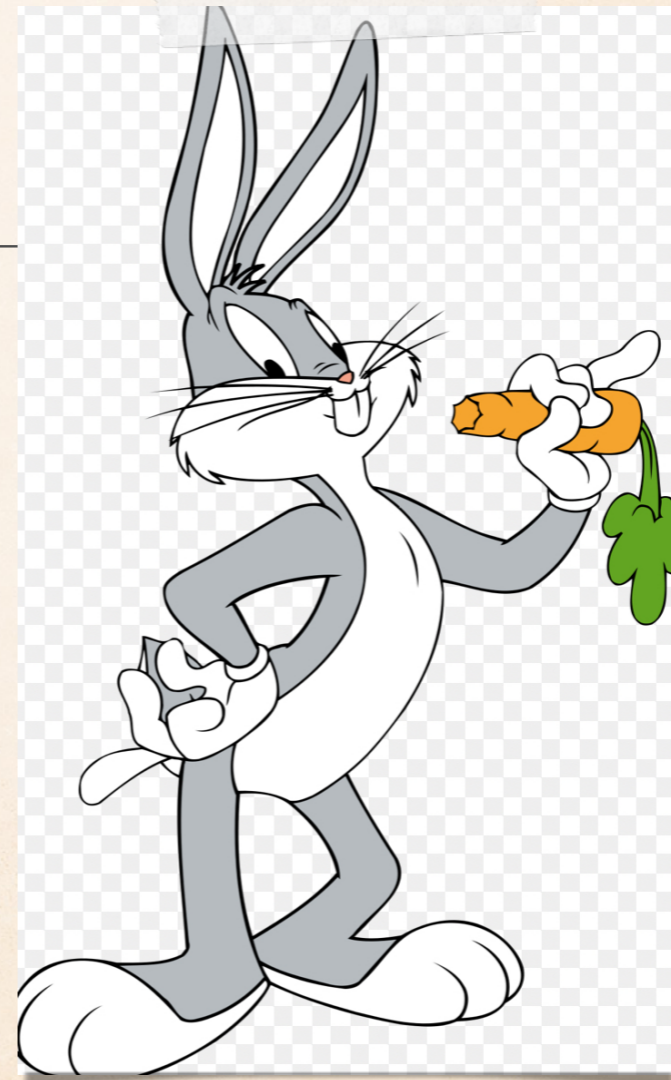

**RABBITS BODIES ARE
CURLED TOWARDS
THEIR BACK LEGS.**

**WITH THEIR STRONG
LEG MUSCLES, THEY
CAN LEAP VERY HIGH
INTO THE AIR, MANY
TIMES THEIR BODY
SIZE. SOME BREEDS
CAN ALSO RUN AT
VERY FAST SPEEDS.**

RABBITS IMAGE

RABBITS ARE OFTEN SHOWED IN CARTOONS AS BEING CRAFTY AND SMART. BUGS BUNNY IS OFTEN OUTWITTING HIS OPPONENT AND THE CHARACTER PETER RABBIT SNEAKS INTO A GARDEN TO EAT THE LETTUCE BEFORE MAKING HIS ESCAPE.

RABBIT JOBS

RABBITS ARE OFTEN USED AS MEDICAL TEST SUBJECTS BY SCIENTISTS, WHO USE THEM TO FIND OUT HOW DRUGS AND OTHER CHEMICALS WORK IN A MAMMAL'S BODY. THIS IS DUE TO RABBITS BEING QUITE CHEAP AND EASY TO KEEP UNTIL BEING NEEDED.

MY RABBIT

I HAVE A RABBIT AT MY HOME AND SHE IS CALLED "DORA",
EVERYDAY I LOOK AFTER MY RABBIT. WHEN SHE DOESN'T HAVE
ENOUGH FOOD I WILL USE MY MONEY TO BUY SOME FOR HER,
SOMETIMES SHE WILL BITE MY HAND AND SHE EVEN BITES THE WALL!

I HOPE YOU ENJOY
MY PRESENTATION ON RABBITS.

THANK YOU FOR LISTENING.
